## ABOUT THE COLLEGE

PBR Visvodaya Institute of Technology and Science is established in 1998 by VISVODAYA Society, Kavali, founded by Dr. Dodla Ramachandra Reddy. It is located in a 26 acre site adjacent to railway station, Kavali, SPSR Nellore Dt, A.P. The institution is approved by AICTE and accredited by NBA and NAAC with 'A' grade. It offers B.Tech courses in Mechanical Engg., Electrical & Electronics Engineering, Electronics & Communication Engg., and Computer Science & Engg. The institution also offers M.Tech courses in Machine Design, Power Electronics, VLSI, VLSI-Design, DSCE, Computer Science and Engg. as well as MBA and MCA courses.

The institute has good research facilities required for top class engineering education. The Library has about 40,000 volumes, more than 100 National and International journals, e-journals and NPTEL learning material including video courses. Digital library is accessible to students round the clock. The institute has well maintained hostels with modern amenities for boys and girls separately. It also has good sports facilities. The institute has been providing campus recruitment for the students in companies of high repute such as TCS, Tech Mahindra, KPIT Cummins. Chapters of ISTE and IETE function in the institute.

## ABOUT THE CONFERENCE

Innovation of new technologies and updating existing technologies are essential parts of education and research. Synergy among the fields of Electronics and Communications Engineering is the need of the hour for arriving at appropriate technologies for the benefit of mankind. The conference aims at bringing together the academicians, industrialists & researchers on to a common platform, summarizing recent advances in research and conglomerating their findings to overcome the obstacles in the real life environment.

## PARTICIPANTS

Academicians, Engineers from industries, R&D Personnel, Research Scholars and Post Graduate students from different parts of the country are invited to participate in the conference.

## CALL FOR PAPERS

One copy of full paper not exceeding 10 pages, as Per IEEE double column MS word format on any of the specified topic should be sent indicating main stream of the paper in the subject of the e-mail, (ex: ECE, Mechanical) to the convener by e-mail.

The accepted papers received with registration fee will be published in the proceedings of the conference. Conference brochure can be downloaded from our web site [www.visvodayata.ac.in](http://www.visvodayata.ac.in)
